Read & Publish Deal 2024-2026 Leiden University & AIP Publishing

As of 1st January 2024, Leiden University and American Institute of Physics Publishing have agreed a Read & Publish deal to make eligible articles with Leiden corresponding authors Open Access in AIP Publishing's journals without a payment from the author.

Who is eligible:

Corresponding authors affiliated to Leiden University or LUMC.

For the publisher, the corresponding author is the author who submits the article to the journal and corresponds with the publisher during the publication process. Only this author can receive the discount.

When does this deal apply:

To articles:

- Submitted to the following journals and accepted during the term of this deal (January 1, 2024- December 31, 2026):

- American Journal of Physics
- Applied Physics Letters
- Chaos: An Interdisciplinary Journal of Nonlinear Science
- Journal of Applied Physics
- Journal of Mathematical Physics
- The Journal of the Acoustical Society of America
- Review of Scientific Instruments
- The Journal of Chemical Physics
- The Physics Teachers

- With a CC BY license

- Within the cap of 14 (2024-2025) or 15 (2026) articles.

How does it work:

Corresponding authors must give clear indication of their Leiden affiliation by selecting Leiden University as the affiliation during submission and select the CC BY license. In addition they are required to use their @*.leidenuniv.nl or @lumc.nl email addresses.

More information:

For more information, please consult the [Leiden Journal Browser](#) to search for the journal of your choice, the [AIP Publishing website](#) or the Open Access Team via email: openaccess@library.leidenuniv.nl
